

**“Friends of Crystal River State Parks now offering 2 Sunset Boat Tours Monthly”  
-Public Invited-**

Our popular sunset boat tours are now scheduled for the last Friday, and second to last Friday, of each month throughout the year.

The two-hour scenic tour aboard the Park’s 24 passenger, covered tour boat, departs the Crystal River Preserve State Park Visitor Center dock approximately thirty minutes before sunset. Since the time that the sun sets changes as the days get longer, you need to contact the park for specific departure times.

The boat cruises down river to the Gulf of Mexico as visitors relax with some humor, river lore and great photo opportunities. Refreshments are served while the sun sets gently in the west. It’s a wonderful way to relax with friends on a Friday night and experience the beauty of the Crystal River Preserve at dusk.

Tickets must be obtained in advance at the Preserve Visitor Center, and are available for a \$15.00 donation to the Friends of Crystal River State Parks, Inc. Be sure to arrive no less than 15 minutes prior to departure. Restrooms are available in the Visitors Center; not on the boat. For more information call the Park office at 352-563-0450, M-F, 9:00-5:00.
